**Hon. George W. Bush, President of the United States
Members of the Senate of the United States
Members of the House of Representatives of the United States**

Dear President Bush and Members of the U.S. Congress:

As a citizen of the U.S., I am deeply disturbed at the Administration’s decision to begin using the term “Republic of Macedonia” in reference to the Former Yugoslav Republic of Macedonia (F.Y.R.O.M.) to further its foreign policy aims in that country. Beyond ignoring the historical facts involved, this unilateral decision by the Administration ignores the several U.N. Resolutions regarding any future name to be used by F.Y.R.O.M., as well as the ongoing U.N.-sanctioned talks between Greece and F.Y.R.O.M., and unnecessarily complicates the already highly-charged situation in the Balkans.

On behalf of my entire family and many friends who believe that their Government should allow the two sovereign states of Greece and F.Y.R.O.M. to resolve the issue without U.S. involvement, I urge you to take whatever measures available to you under the U.S. Constitution to rescind this unfortunate and short-sighted decision.

Very truly yours,
